Dear Brother «Last\_Name»,

We hope this letter finds you well. On behalf of the Alumni Association Executive Committee I'd like to update you on recent chapter affairs and appeal for your continued participation and support of the Alumni Association and our Active Chapter.

**Chapter News:**

The actives pledged 8 men this Spring and initiated all eight.

- The first Iota Career Day was held in February – a full day seminar held for the benefit of the active chapter, delivered by Iota alumni in conjunction with SU Career Services.
- The actives ranked #1 in the Spring Semester Greek Scholarship report.

**125<sup>th</sup> Anniversary:**

- Dues paid in the calendar year 2010 will be used directly for the planning and preparation for the 125<sup>th</sup> anniversary celebration. Much like the 1986 Centennial celebration, we will be hosting a formal dinner, awards ceremony, and raffle.
- The Iota Chapter is one of seven chapters running consistently since formation for over 100 years – 2011 marks our 125<sup>th</sup> anniversary.

Mark your calendars for SU Homecoming 2011 and book your hotel rooms now!
